Rules for Club Night Attendance

- Please park your vehicle with consideration for the flat occupants when parking outside the Kingsthorpe Community Centre.
- If you make a drink, please wash your cup/spoon up afterwards. Please wipe up any spillages.
- Don't create congestion in the kitchen. Please get your drink and return to the main hall.
- Have you paid your subs? The money is mainly used to pay our Wednesday night hall rental, plus the cost of drinks and biscuits. £1 per person please.
- Please put away any tools, layouts, tables and chairs you've used at the end of the evening.
- A clear passage way **MUST** be maintained in the entrance lobby area as an emergency exit. Also please keep ALL other emergency exits accessible at ALL times.
- Please sign in at each attendance. This ensures we know who to account for in the event of an emergency evacuation.

Current membership :	6	Junior Members

NOTICE BOARD

Saturday Working

As you may remember from a previous newsletter we can still use the community centre on a Saturday afternoon. Although we may not wish to do layout activities during the afternoon it does give us an opportunity to clear out the Club cupboard and either move some stuff down to the garage or the tip. We are looking to do this on a Saturday during September, whilst hopefully the weather is still warmish and before the dark nights descend upon us.

Is anyone interested /available to help please. We need to gauge (no puns intended) how many can help before we book the hall. RSVP to any committee member, whose details are on the back cover, of which Saturday(s) you can help.

The next generation of railway modellers get bitten by the "bug", although they may not know it yet.

This edition of the newsletter is dominated by photo pages from our exhibition. Despite one trader throwing his toys out of the pram, it was a very successful event for us both in terms of feedback and financial reward. Be at the AGM to find out more.
