- 1) If you make a drink, please wash your cup/spoon up afterwards. Please wipe up any spillages.
- 2) Don't create congestion in the kitchen. Please get your drink and return to the main hall.
- 3) Have you paid your subs? The money is mainly used to pay our Friday night hall rental, plus the cost of drinks. £1.50 per person please.
- 4) Please put away any tools, layouts, tables and chairs you've used at the end of the evening.
- 5) A clear passage way **MUST** be maintained in the entrance lobby area as an emergency exit. Also please keep **ALL** other emergency exits accessible at **ALL** times.
- 6) Please sign in at each attendance. This ensures we know who to account for in the event of an emergency evacuation.

ADVANCED NOTICE

Will all members please note that the N&DMRC will **NOT** be meeting at Hardingstone on Friday 27th October as the hall is unavailable.

From the Editors **Cab**

HOMEWORK

This months homework question has been submitted by John Walker.

Take a look at the picture at the bottom of this page, taken in 2017 by John, which shows a manufacturers work plate.

Question 1 — Where was this picture taken?

Question 2 — What work did I do?

Clues:

My name is 'Marion'

My class was "Brazil" but I never worked there

I have a 0-4-2 wheel arrangement

I did short track runs and shunting duties

In my prime 90% of my work did not involve passengers

In 1955 I was still working and met a Royal Princess

I am now retired (many years ago) but I always lived and worked in the sun

I never moved away and I am being looked after by a museum.

Club Membership

With the Club's move to Hardingstone we are preparing to implement the revised membership subscription arrangements as agreed verbally with a majority voted show of hands on a club night held at Kingsthorpe before we moved to Hardingstone.

The members present were in favour of a monthly subscription rate of £8 starting from 1st August. As previously stated this will over 12 months work out cheaper for regular attendees as the weekly attendance charge will cease.

For administrative purposes the easiest way of managing this, is by members either paying their subscriptions by standing order or by automated payments via internet banking, into the Club's bank account.

All current members will shortly receive details of the club's bank account along with a standing order form for completion (if required). This system will now necessitate every member having a membership number. This number you will need to quote in the standing order reference box or in your internet banking reference.

These membership rates DO NOT effect Junior Membership. Junior members will still pay £10 per year and a weekly attendance sub. However they will get a membership no.

Any member who has any queries/questions on this matter please see/contact me.
