Railway Photographic & Film Evening

On Wednesday the **29th April** the Club is running another railway film evening. This event is being organised by our secretary, Richard Deacon. **On this evening there will be NO model activities.**

We intend to show various railway related video footage, some transferred from its original Cine film format onto digital media.

We are listing this event as both photographic and film at this stage until our programme for the evening is finalised. What do you want to see? Blue Diesels? 1950s railway bashes?

We are opening this evening up as an open evening so if you wish to bring friends along then please do so. We will have to charge visitors £1.50 each to cover refreshment costs.

Anyone got something they want to show; then let Richard know.

Kitchen Grid Lock

Will Club members on Wednesday evenings please refrain from using the kitchen area as a social meeting place.

As you know the kitchen is very small to start with and once two or three members start using it as a meeting place it makes it very difficult for others trying to get a drink.

On top of this there is usually an urn containing about two gallons of boiling water—we don't want anyone scolded.

You've been told about this before; so do as you're told.

Read ***Rules for Club Night Attendance on page 1!***

New Manager to Visit Us

The Kingsthorpe Community Centre (along with several other centres) has a new manager. She is Joanna Knowles and she will be visiting us on our Club night on March 11th.

Joanna is coming along to see what we get up to and to take away any issues that we feel we may have. I think the only issue we have is the time keeping of the dancing class that use the centre before we come in on a Wednesday evening.

We need to ensure the store room is tidy and no fire exits are blocked.

New Model Shop Opens

by Richard Deacon

There is a new model railway shop just opened at the unlikely place of The Old Dairy Farm Centre shops, Unit 2, Upper Stowe, NN7 4SH. If you have never been it is in the back of beyond (at least feels like it) the other side of the A5. Well known for its craft type shops and seeing the lambs being born at lambing time. Perhaps the operator thinks it's a good venue as the wives can visit the craft shops while the men go the model railway shop?!

Tel 01604 830722 or 07961 757094

Opening hours—Tuesday to Sunday 09:30—17:30

TOMBOLA

Will members please bring in a small prize gift each month for the Club's Exhibition Tombola. Keep an eye out for any supermarket special offers for example. A prize should be worth at least £1, be new or in very good condition and if perishable be 'in-date' by the end of September 2015.

There is a box in our Club cupboard for tombola items to be collected and stored in.

On a Wednesday night nearer the exhibition the cloakroom ticket numbers will need sticking on the prizes and the corresponding draw ticket folding and putting in the draw drum. We still need help with this please.
